An 83-year-old man was sentenced to 15 years in prison for a series of felony sex offenses ranging as far back as 1984.

Albert Moore, of Mason, pled guilty to two counts of rape and one count of gross sexual imposition involving three separate victims. All of the victims were acquainted with Moore and were under 13 years of age at the time of the offenses.

Warren County Common Pleas Court Judge Neal Bronson handed down the sentence after accepting Moore's change of plea to the charges.

On June 29th, a Warren County grand jury returned a seven-count indictment against Moore for the offenses, which occurred from 1984 through 2008. Officials from the Mason Police Department began investigating when the victims notified family members of the offenses.
