Victim Awareness Event

The Prosecutor's Office, along with other local county agencies, held their annual event on April 20th to help raise awareness of National Victim's Rights Week. This year's event included a video presentation addressing drug addiction and the effects it has on families and the criminal justice system. Commander John Burke of the Warren County Drug Task Force presented on prescription drugs and the issues our society faces with drug abuse.

Care Packages Sent to Troops

Members of the Warren County CSEA sent care packages to soldiers serving in Iraq and Afghanistan. Private donations and volunteers were secured to ship the care packages to deployed members of the military. Food items, toiletries, books, games, batteries, Beanie Babies, and various other items were compiled, packaged, and shipped overseas. Enough donated items were accumulated to fill 29 boxes. Agency efforts were recognized by Sergeant First Class Will Grays of the United States Army Reserve, who visited the

agency while on mid-tour leave to say thank you. Sergeant Grays presented a Certificate of Appreciation signed by the Commanding Officer and Command Sergeant Major of Joint Task Force 1-174, United States Forces-Iraq, for outstanding support of the forces serving in Operation New Dawn (pictured above left).

National Night Out

In August of this year, our office once again participated in the 8th Annual National Night Out event in Clearcreek Township. This is an annual nationwide crime and drug prevention event, which involves over 10,000 communities from all 50 states.

4th Annual Blue Ribbon Nite Gala

For the fourth year in a row, the Child Advocacy Center of Warren County raised awareness and honored the most seriously abused children in our community by showing support and raising needed funds for the services that these children deserve. This year's event was held on November 18th and hosted by special guest Nancy Wilson from K99.1 FM. The fundraiser also auctioned off artwork painted by children in our community (pictured left).

Financial Report

As stewards of the taxpayers' money, and particularly in these economic times, it is critical that all levels of government provide better service on increasingly fewer tax dollars. Along those lines, the original appropriated 2011 budget for the Prosecutor's Office was \$2,781,689. However, our office expended \$2,656,789.23, effectively returning \$124,899.77 or 4.5% of the Prosecutor's Office's appropriated budget back to the county general fund. As 2012 begins, the Prosecutor's Office is committed to further improving efficiency while maintaining the highest level of service to the public.
