

**Warren County Prosecutor Urges the Public to Oppose the Possible Parole of
Gary Steven Heath**

September 13, 2011

FOR IMMEDIATE RELEASE

**DAVID P. FORNSHELL
(513) 695-1325**

The Warren County Prosecutor's Office has been notified that **GARY STEVEN HEATH**, Inmate No. A317-727, will be considered for Parole in October, 2011. Warren County Prosecutor David Fornshell urges the public to oppose Heath's release on parole and to submit their Objections to the Parole Commission.

Heath is currently confined as result of his convictions in both Hamilton County and Warren County. In 1994, he was convicted of Aggravated Burglary, Attempted Murder, Burglary and Felonious Assault in Hamilton County and received consecutive sentences totaling approximately twenty-eight to sixty-five years, plus a three-year gun specification. In 1996 Heath was convicted of Murder in Warren County, and was sentenced to serve fifteen years to life in prison, consecutive to the sentences imposed in Hamilton County.

In a span of less than ten years, Heath killed one female victim and nearly killed another. In both instances, Heath had been in a relationship with the victim.

Heath was also convicted of Breaking & Entering in 1979 and Receiving Stolen Property in 1982. In both cases, it appears Heath was paroled from prison, violated his parole, and was returned to prison.

The Warren County Prosecutor's Office is strongly opposed to Heath's release on parole at this time or at any time in the foreseeable future. Heath's release from prison, after he has served only sixteen years of his combined sentences, will demean the seriousness of his offenses and will not adequately punish him for the violent crimes he committed.
